

CUSC TRAVEL NEWS

November 2009

Some of you will have seen the article in the News & Star regarding Away Travel and the headline "Row prompts a new bus service for fans". The first CUSC knew about this article was when it appeared in the newspaper. Away travel is and always has been organised by (CUSC) Carlisle United Supporters' Club.

At the beginning of season 2009/10 Norman Steel, as a Director of CUFC was asked to take responsibility for away travel for those booking through the Club. He was also asked to liaise with the Supporters' Club to facilitate this. CUFC admitted to a loss on away travel during the seasons 2007/8 and 2008/9. CUSC was only too happy to work with Norman on this project and fans could book at the club, they would be allocated a seat on a coach and when the CUSC coaches were full another coach would be booked, invariably this would be a Reays coach. All was working well until Norman was informed that he was no longer responsible for travel and the responsibility had been taken over by another director of CUFC, at the same time the article referred to above appeared in the News & Star.

CUSC will continue to take bookings, organise travel and commit to at least one coach travelling to each of CUFC games.

bookings will be taken for all CUFC games (league and cup) throughout the season.

CUSC Away Travel sponsor Paul Thirlwell, our captain and have spoken to Jenny Anderson at the club to say that should there be sufficient funds in the travel account we will sponsor an additional player for ½ a season in January 2010.
